IISA Tell a Friend Program

This year, Imhotep International Soccer Association is introducing a program to promote new player recruitment. The IISA Tell a Friend Program allows registered players to become "Sponsors" for new players.

How does the program work?

The Sponsor can recruit up to 4 players who have either never played for IISA or who have not played for IISA for at least a year. The recruit does not have to play with the same age group or be the same gender as the Sponsor. They only have to be eligible to play with IISA.

What does the Sponsor receive for recruiting a player?

When all requirements are met and the new player is registered with IISA, the Sponsor will be given a special gift from the Director of Coaching. There is a maximum of 4 new players a Sponsor can recruit for this program per season.
